

*The truth about the partnership between
Girl Scouts and Planned Parenthood*

www.girlscoutswhynot.com

... because you don't realize what moral values your daughter is receiving from the Girl Scouts ... and they don't want you to know! All Girl Scouts are taught to:

- Discover ... through GS books and websites
- Connect ... with other Girls Scouts around the world
- Take Action ... by promoting the agenda of the GSUSA and World Association for Girl Guides and Girl Scouts (WAGGGS). What is their agenda? (see below)

Girl Scout CEO, in an interview on *The Today Show* (33 second video clip): *"We partner with many organizations. We have relationships with our church communities, with YWCAs, and with Planned Parenthood organizations across the country, to bring information-based sex education programs to girls."*

Our NEWS page: All Girl Scouts are members of WAGGGS through collaborated websites, activities, and finances. WAGGGS promotes and advocates a campaign for *"sexual and reproductive health services, including emergency contraception and abortions"* as stated on their website.

Your daughter's \$12 annual Girl Scout membership dues help financially support the pro-abortion World Association of Girl Guides and Girl Scouts (WAGGGS) organization. For proof (tax returns) of this statement please search our WAGGGS page.

Girl Scout BOOKS and WEBSITES: Some GS books encourage girls to explore listed pro-abortion websites. Many books list known pro-choice women advocates for young Girl Scouts to emulate.

Shocking, must see FAQ page: We have uncovered grave inconsistencies and convoluted rationalizations in the *"Position Statement"* released from the National Federation of Catholic Youth Ministry (NFCYM) dated January, 2011.

GSUSA is hiding the truth from you. So, if you contact them with concerns, don't expect to get straight answers. We have screen shots of GSUSA's own website proving relationships or partnerships with pro-abortion advocacy groups. See if your local GS council is listed here on our Truth page.
