

Most shocking is the Girl Scouts of Southern Arizona’s promotion of Margret Sanger on their official council’s Facebook page on November 5<sup>th</sup>, 2016. This Facebook post included information and a live link about a book for their girl scout members “ages 12 and up”. The book, ***The Feminist Revolution***, has 21 different references to abortion; page 162 states, “... As a result, less than 5 percent of their services include abortion. Planned Parenthood has ...”, which is a deception that is repeatedly touted by Planned Parenthood and their staunch pro-abortion defenders.
