Subject: clarification on waggs quota

Susan: A couple of things need to be clarified. I am not the CFO of GSUSA, I am the Vice President of Global Girl Scouting/Strategic Alliances. Also, GSUSA is the member of WAGGGS. Through GSUSA's membership all our girl and adult members are members of WAGGGS. A specific amount is not deducted from each membership fee to GSUSA to pay the WAGGGS' quota. The amount of .44, is the approximate amount GSUSA pays per member as the WAGGGS quota is figure on the number of members. I hope this helps clarify this issue.
